

# Sonus<sup>®</sup>

RT & RT deluxe

*I*nspired by and designed in collaboration with Robert Trujillo of Metallica, the Sonus RT5 and RT5 deluxe embodies the sound for today's metal bassist.

**W**ith a perfect balance of rich, punchy lows, gritty mids, and an edgy top end, the Sonus RT and RT5 Deluxe cuts through the thick wall of sound, filling the stage with a gut-rattling bottom and a clear, detailed presence.

*Sonus RT 5 deluxe in transparent red finish.*
