

Sonus®

4,5,6 & 8-strings

The Sonus reflects innovations in design and advanced electronics for a contemporary interpretation of the traditional Jazz bass. This model achieves a perfect blend of classic and contemporary characteristics that replicate the timeless Jazz sound while offering bassists superior performance. The Sonus is voiced with a warm, smooth bottom end, solid mid-range punch, and a sweet, clear treble response.

(L to R) 4-string with optional Lacewood top; purple 8-string; amber 5-string fretless; and cobalt blue 5-string
